COLUMBIA | CENTER FOR THE TRANSITION TO PARENTHOOD

CTtP 2026-27 Annual Request for Applications (RFA)

Application Counts, by State:

176 Applications
Research + Community

125 Community track
32 states & territories

51 Research track
22 states & territories

36 States & territories
represented overall

Alaska, Hawaii and Puerto Rico are shown as insets, not to scale.
Counts reflect the state or territory each Community organization primarily serves and each Research institution is located in.
Source: 2026–27 application submissions reports, Sept. 12, 2026.

Applicants, by state:

1. **Alabama**
   - Marie Boone-Clark | Birthing the Magic Collaborative | Building Beautiful Babies

2. California

- Vivian Tamkin | Santa Clara University | Reflection at the Point of Care: A Phenomenological Study of a Culturally Responsive Tool Across the Perinatal Workforce
- Daniel Soto | University of Southern California, Keck School of Medicine Project POPS: Positive Outcomes for Papas — A Perinatal-Focused Fatherhood Curriculum Framework for Young Men of Color
- Celeste Poe | Stanford University School of Medicine | NEST: Strengthening Culturally Relevant, Community-Centered Mental Health Support for Black Perinatal Families
- Nicole Ashley Bell | CoCo Love Doulas | Building the Village: A Two-Generation Community Pillars Model for the Transition to Parenthood
- Samantha Williams | JIREH Providers | Nourish & Recover – the Fourth Trimester: JIREH's Community-Based Postpartum Wellness & Connection Advanced Pilot
- Breanna Kuimi | Anew Life/ B.MOM (Black Moms of Multiples) | B.MOM (Black Moms of Multiples) "Twice the Love, Twice the Support: Supporting Black Mothers Pregnant and Postpartum with Twins
- Elisa Havens-Stokes | The Circle Family Center | THRIVE Initiative: Transforming Health through Resources, Information, Village & Equity
- Erin Sricharoon | Beyond the Clinical Visit: Building an Integrated Model of Pregnancy After Loss Care | Beyond the Clinical Visit: Building an Integrated Model of Pregnancy After Loss Care
- Eboni Nash | RISE (Resources for Income Shelter and Empowerment) | A RISE In Postpartum Care
- Ryan Berryman | San Bernadino Fatherhood | Dads and Doulas
- Marie Harris | Siena Houses Maternity Home of Santa Cruz County | Integrating Therapeutic Services and Occupational Therapy into Interim Housing for Pregnant Women and New Mothers Experiencing Homelessness
- Heidi | Jones | Have Refuge for Birth / Haven For Birth | Pathways to Care: Closing the Gap to Perinatal Mental Health Care
- Kaylynn Campbell | Postpartum Allies for Local Support (PALS) | Bringing the Village Home: In-Home Perinatal Mental Health and Practical Care for Sacramento Families
- Marea Goodman | S.A.F.E. Beginnings: Queer Perinatal Support for QTBIPOC Families | S.A.F.E. Beginnings: Queer Perinatal Support for QTBIPOC Families
- Kevin Gruenberg | Love, Dad: Support for Family Well-being | All Parents as Teachers: Building Whole-Family, Father-Inclusive Perinatal Home Visiting
- Michelle Wing | It's Yoga Kids® | Rooted from the Start: A Collaborative Yoga, Movement, and Mindfulness Program to Support the Perinatal Journey from Pregnancy Through Early Childhood
- Jasmine Creighton | DBA: Yaya's Hands Perinatal and Lactation Services | Rooted in Care: A Family Support and Perinatal Mental Health Workforce Initiative

- Allison Murphy | Mothers Care Support | Mothers Care Support
- Sabrina Tom | Maternal Mental Health Now | Strengthening the Black Birthworker Ecosystem in Los Angeles County
- Tamika Simpson | | The Milkline: Pathways to Individualized, Family-Centered, & Systemic Care

3. Colorado

- Susanne Klawetter | University of Colorado School of Medicine | Advancing Postpartum Depression Care for NICU Parents Through Technology-Enabled Stepped Care
- Yunying Le | University of Denver | Informing Adaptation of Online Family Foundations to Enhance Reach and Prevent Postpartum Depression in Multiparous Mothers and Fathers
- Anahi | Collado | University of Colorado- Boulder | Building the Community Perinatal Mental Health Workforce: Implementing Alma Skills Training Across Community-Based Providers
- Tracy | Vozar | Parentline | Developing Parentline: Increasing Access via Cultural, Sociopolitical, and Linguistic Modifications to 2Gen Perinatal Mental Healthcare
- Galena Rhoades | Thriving Families | Closing the Referral-to-Care Gap: Evaluating Integrated Perinatal Medical Services
- Nichole Brooker | YANAM2M/Strong Mamas, Thriving Babies | Strong Mamas, Thriving Babies

4. Connecticut

- Latoya Hinds | University of Saint Joseph-CT | Addressing the Perinatal Mental Health Access to Care Crisis: Development of a Social Work Pathway to a Sustainable Perinatal Mental Health Workforce
- Dyanne Tappin | University of Connecticut Health | Development and Pilot Study of a mHealth App Intervention Integrating Trauma-Informed and Culturally Responsive Perinatal Mental Health Support

5. Delaware

- Grace Anzilotti | Christiana Care Health Services, Inc. Center For Women's Emotional Wellness | Strong Start: Postpartum Emotional Wellness Education Program

6. DC

- Georgia Machell | National WIC Association | From Barriers to Better Care: Identifying Promising Practices to Strengthen the Perinatal Care Ecosystem
- Allison Tietz | American University | A Mixed-Methods Study of Perinatal Distress and User-Centered Development of a Universal Preventative Intervention for First-Time Mothers
